

1 Hour Virtual Home Walk Through Agreement

Thank you for contacting our firm to take a virtual walk through your home with you, via ZOOM, for the purpose of providing you with solving 1 specific design dilemma you're having or providing you with design inspiration for your project.

This agreement will cover a ZOOM meeting which will last approximately 1 hour. At this time, I will provide you with up to 3 possible design solutions to your dilemma or I will provide you with examples of design concepts using photos of rooms or finish samples to give you the inspiration you need to begin your project. All images presented online remain the copyrighted property of Thyme & Place Design LLC.

Thyme & Place Design LLC will not provide design details, drawings, elevations, floorplans, or sketches during this consultation. This consultation is purely for providing you with possible solutions to the answers to your question and/or offering you design possibilities to help you establish an overview of your renovation possibilities.

The VIRTUAL Zoom session fee of \$450.00 is due before the meeting and is non-refundable as I must block out time in my schedule for it, whether or not you keep the appointment. In the event of extenuating circumstances, we can reschedule the time based on my availability.

BEFORE WE START:

Please email to me 3 days before the meeting:

- A. 3-4 photos of the existing space.
- B. Rough dimensions of the space under consideration.
- C. The specific question[s] you want covered during this consultation session.

Remember we will have 60 minutes max. **I will not be answering any back and forth emails, except to confirm our meeting time and receipt of your information.** If I know that your question will require more than a 60 minute block of time to answer, I will inform you 2 days before we start and you can either cancel our session or book an additional block [s] of time with me.

Please be prepared to take notes as the meeting is not recorded.

I look forward to helping you solve your design dilemma, or to help you feel inspired as you begin your renovation experience.

Very sincerely yours,

Sharon L. Sherman CKD ASID CID 00348
